

» 350 Gross Ton (GT) Master/ 500 GT Mate Certificate of Competency (CoC)

This CoC qualifies candidates to command a Republic of the Marshall Islands (RMI) flagged commercial yacht of up to 350 GT or serve as a mate on a yacht of up to 500 GT. Candidates must possess a CoC for 200 GT Master—Yachts (or greater) to apply.

The qualification is recognized by all major flag States as it is an International Convention on Standards of Training, Certification and Watchkeeping for Seafarers, 1978 (STCW) course and therefore comes under the mutual recognition of STCW.

This is the only qualification allowing the transition of a non-STCW license to a full STCW CoC for yachts of this size.

See Preliminary Requirements for Applicants of the Marshall Islands 350 Gross Ton Master/500 Gross Ton Mate Certificate of Competency—Yachts ([SICD-25](#)).
