The Republic of the Marshall Islands (RMI) Maritime Administrator (the “Administrator”) now produces the following record and log books, available for purchase directly from the Administrator:¹

- *RMI Official Logbook* (MI-400)
- *RMI Biofouling Record Book* (MI-401)
- *RMI Oil Record Book* (MI-402)
- *RMI Garbage Record Book Part I* (MI-403)
- *RMI Garbage Record Book Part II* (MI-404)
- *RMI Cargo Record Book* (MI-405)
- *RMI Ballast Water Record Book* (MI-406)

Please note that the existing *RMI Oil Record Book* (previously MI-332) and the *RMI Cargo Record Book* (previously MI-333) were both revised and added to a new document numbering system; however, **the previous versions of these books can still be used**. RMI-flagged vessels using the MI-332 and the MI-333 will need to supplement the instructions with the revised *Oil Record Book Instructions* ([MI-402A](#)) and *Cargo Record Book Instructions* ([MI-405A](#)), as appropriate.

Please note that the Administrator’s fee schedules and all other associated documents will be revised accordingly.

To place an order, please fill out the *Order/Shipping/Billing Information* ([TCMI-03](#)) form and send it to publications@register-iri.com.

¹ All books are priced at \$25.00 USD each plus shipping and handling.

This YSA is evaluated annually by the Administrator and expires one year after its issuance or renewal unless otherwise noted, superseded, or revoked.
